CHANGING TRAFFIC PATTERNS ON SOUTHBOUND I-95 IN BALTIMORE TOMORROW

#i95bmore

WHAT: Southbound I-95 traffic lanes will shift with all four lanes to the left of the work area between the Washington Boulevard on-ramp and Exit 50 (Caton Avenue). **The on-ramp from Washington Boulevard to southbound I-95 remains closed 24/7.** Traffic from southbound Washington Boulevard detours to Caton Avenue, to southbound I-95. Traffic from northbound Washington Boulevard detours to Bush Street, to Russell Street, to southbound I-95.

Southbound I-95

WHEN: Weather permitting, the southbound I-95 shift will be in effect by **Friday, Sept. 4**, for about two to three weeks. The Washington Boulevard on-ramp will reopen after this stage.

WHY: *Toll Dollars At Work:* The traffic shift is part of the Maryland Transportation Authority's (MDTA) two-year, \$64 million project to remove and replace the existing concrete deck (riding) surface and roadway joints on mainline I-95 and ramps in Baltimore City.

REMINDERS:

- The on-ramp from Hanover Street to southbound I-95 is closed 24/7 until late September. Follow detours.
- Use I-695 or I-895 if traveling thru Baltimore City.
- Work-zone speed limits on southbound I-95 are reduced to 50 mph.

For additional project information, visit i95bmore.com. For real-time updates on major incidents follow us on Twitter at twitter.com/TheMDTA or use *#i95bmore*. Find us on Facebook at facebook.com/TheMDTA. The MDTA thanks its customers for their patience and reminds them to *Stay Alert So No One Gets Hurt!!*
