MARYLAND PORT ADMINISTRATION UN-SCHEDULED ELECTRICAL POWER OUTAGE DUNDALK MARINE TERMINAL THURSDAY, January 21, 2010

Please be advised that there has been an unscheduled power outage within Dundalk Marine Terminal. BG& E has been notified to respond to the problem

The affected buildings are the Balterm trailer at Third St. & North Service Road, MPA's Crane Spreader Shop and the MPA Storeroom.

It is highly recommended that all computer hardware be powered-down prior to the outage to help protect the equipment from the resultant power surge when electrical power is restored.

The duration of the power outage until repairs are made is unknown at this time.

Thank you.
