

Rate Analyst position available

June 3, 2015

Thunderbolt Global Logistics is a Baltimore based international logistics provider. We have 1 office located across the street from Pennsylvania Station (Amtrak station/MARC Station). We currently have an immediate opening in our Rates Department.

The position is in a support role for our operational staff. You would have daily interaction with our overseas partners. We need a strong individual who has a wide knowledge in all phases of international and domestic transportation. Knowledge of project/out of gauge is an important aspect of this position. Job responsibilities will include but not be limited to the following:

- Rate quotations for overseas partners (ocean/air, export, import, domestic)
- Rate quotations for operations (ocean/air, export, import, domestic)
- Maintaining ocean service contracts in Cargosphere
- Meet regularly with ocean and domestic carriers.
- Strong organization skills and ability to multi task

Thunderbolt is a member of 2 global project cargo networks and 2 global general cargo networks. We receive several requests for rates on a daily basis from our overseas partners. Experience with using the Cargosphere rate/quotation platform is a plus.

We have an experienced operational team. Working closely with operations and our overseas partners has been critical to our success. Thunderbolt offers a competitive salary and benefit package along with a 401K plan.
