SECOND LANE ON RAMP FROM NORTHBOUND I-95 TO NORTHBOUND I-395 TO REOPEN

Weekend Closure of Russell Street Exit Ramp

WHAT: The second lane on the ramp from **northbound I-95 to northbound I-395** that was closed since July 14 for construction will reopen. Both lanes on the ramp from northbound I-95 to northbound I-395 into downtown will now be open to traffic full time.

Once northbound I-395 ramp fully reopens, the ramp from **northbound I-95 to Russell Street (Exit 52)** will be closed temporarily to traffic. The **detour route** will direct motorists to I-395 (Exit 53), to Lee Street, to Russell Street.

Southbound I-95 traffic lanes will shift with all four lanes to the left from the I-395 on-ramp to Exit 50 (Caton Avenue). The on-ramp from Washington Boulevard to southbound I-95 remains closed 24/7. Traffic from southbound Washington Boulevard will be **detoured** to Caton Avenue, to southbound I-95. Traffic from northbound Washington Boulevard will be **detoured** to Bush Street, to Russell Street, to southbound I-95.

Southbound I-95

WHEN: **Weather permitting**, the second lane on the ramp from northbound I-95 to northbound I-395 will reopen by **Friday, July 31**.

Weather permitting, the ramp from northbound I-95 to Russell Street (Exit 52) will be closed **Friday, July 31**, from **10 p.m. to 5 a.m. Monday, Aug. 3**.

Weather permitting, the **southbound I-95** shift from the I-395 on-ramp to Exit 50 will be in effect by **Saturday, Aug. 1**, for approximately four weeks.

WHY: **Toll Dollars At Work:** The ramp closure is part of the Maryland Transportation Authority's (MDTA) two-year, \$64 million project to remove and replace the existing concrete deck (riding) surface and roadway joints on mainline I-95 and ramps in Baltimore City.

REMINDER: The work-zone speed limit is 50 mph on northbound and southbound I-95. Work-zone safety speed cameras in use. **The left lane on northbound I-95 between Exit 50 (Caton Avenue) and Exit 52 (Russell Street) is closed 24/7.**

For additional project information, visit i95bmore.com. For real-time updates on **major incidents** follow us on Twitter at twitter.com/TheMDTA or use **#i95bmore**. Find us on Facebook at facebook.com/TheMDTA. The MDTA thanks its customers for their patience and reminds them to **Stay Alert So No One Gets Hurt!!**
